➤ Wood Environment & Infrastructure solutions, Inc.	\$2,074,724.00

After evaluation of technical and cost proposals, the evaluation committee recommends awarding to the highest scoring proposal.

Should the department choose to move forward with the evaluation committee recommendation, this will appear on a near future BOC agenda for award.

Please complete the attached Recommendation Form and return it within five (5) business days.

If you have any questions, please call me at (404-371-7021).

Request for Proposal (RFP) No. 21-500567 Consent Decree – Design And Engineering Services For Shoal Creek Trunk Sewer Relief Project (Multiyear Contract)

User Department’s Recommendation

User Department Name: Department of Watershed Management

Recommended Proposer: Brown and Caldwell
Name

Project Amount: \$3,498,795.00

Funding:

General Enterprise Other _____

CIP Line Item No. (if applicable): 84

Justification if recommendation of award is to a firm other than the highest scoring proposer:

The evaluation committee has reviewed all the proposals submitted for Request for Proposal (RFP) No. 21-500567 Consent Decree – Design and Engineering Services for Shoal Creek Trunk Sewer Relief Project (Multiyear Contract) per the criteria set in the RFP. As a result of the evaluation of technical proposal for technical approach, organization qualification, personnel, LSBE participation, and cost proposal, it is determined that the highest scoring proposal is Brown and Caldwell. Per the recommendation of the committee evaluation team and after the discussion within the User Department, it is recommended that this Contract is being awarded to the highest scoring proposal, Brown and Caldwell.
