**RECOMMENDATIONS:**

**COMMUNITY COUNCIL:** APPROVAL.

**PLANNING COMMISSION:** APPROVAL WITH CONDITIONS

**PLANNING STAFF: APPROVAL WITH CONDITIONS**

**PLANNING STAFF ANALYSIS:** The proposal is consistent with the Suburban Character Area policy of the 2035 Comprehensive Plan to “Protect stable neighborhoods from incompatible development that could alter established residential development patterns and density.” (SCAP1) The zoning proposal will permit a use that is suitable in view of the use and development of adjacent and nearby properties. The proposed lot sizes are similar to that of many parcels within a 2,000 foot radius of the subject property, and use of the properties for single-family residential detached homes is consistent with the development pattern of the community. Therefore, the Department of Planning and Sustainability recommends “Approval” with conditions.

**PLANNING COMMISSION VOTE: Approval with Conditions, 8-0-0.** M. Butts moved and J. Johnson seconded for approval as recommended with conditions by Staff..

**COMMUNITY COUNCIL VOTE/RECOMMENDATION: Approval, 11-0-0.** The proposed lots would be consistent with the character of other lots in the neighborhood.
