**RECOMMENDATION:**

**COMMUNITY COUNCIL:** Deferral

**PLANNING COMMISSION:** Denial

**PLANNING STAFF:** Approval with Conditions

**PLANNING STAFF ANALYSIS:** Located at a major intersection (Briarcliff Road and Clairmont Road), the proposed use for alcohol sales is compatible with other commercial uses in the area. Along with various retail and business uses along Clairmont Road, there are two (2) other convenience stores with alcohol sales (Quik Trip & Chevron) within a half mile of the subject site. Located within a Neighborhood Center Character Area, the proposed use is consistent with the following plan policies and strategies of the 2035 Comprehensive Plan: Create compact mixed use districts and reduce automobile dependency and travel to obtain basic services; organize circulation patterns through traffic calming techniques and access management; add traffic calming improvements, sidewalks, and increased street interconnections to increase safety and improve walkability. The revised site plan depicts right-of-way dedication to provide a right-turn lane along Clairmont Road to address traffic concerns. Conditions have been added to address right-in and right-only access along Clairmont Road and Briarcliff Road. The proposed commercial development offers a variety of services and provides property upgrades to the existing site. The Department of Planning and Sustainability recommends **“APPROVAL”** of the SLUP request for alcohol sales within the proposed RaceTrac convenience store on the site subject to the following attached recommended conditions:

**PLANNING COMMISSION VOTE:** Denial 7-1-0. J. West moved, P. Womack, Jr. seconded for denial. M. Butts opposed.

**COMMUNITY COUNCIL VOTE/RECOMMENDATION:** Deferral 6-0-0. Concerned about the proximity of the alcohol sales to the church school on Briarcliff Road.
