**PURPOSE:**

Funding will allow for static and transit informational billboards to be placed in highly visible areas throughout the County. Funding will cover a community and media event on the Courthouse steps, which will include a pinwheel “garden,” where educational signs and 98 pinwheels will represent the 9,800 confirmed child abuse cases in Ga. in the most recent annual count. Additionally, informational yard signs will be printed and circulated to each neighborhood

who has joined with the D.A.'s Community Partnerships Unit.

**FISCAL IMPACT:**

No additional or matching funds are required, and no additional funds are needed to develop the initiative; no funds are being requested.
