The property is located on the east side of Holcombe Road, approximately 350 feet north of Redan Road at 1026 Holcombe Road in Decatur, Georgia. RECOMMENDATION:

COMMUNITY COUNCIL: Denial.

PLANNING COMMISSION: Denial

PLANNING STAFF: Denial.

PLANNING STAFF ANALYSIS: Denial. The Special Land Use Permit is required since the proposed business qualifies as an alcohol outlet (package store). New supplemental regulations for package stores/alcohol outlets were adopted by the Board of Commissioners on May 23, 2017, which require that new package stores be located at least 1,000 feet away from existing package stores and alcohol outlets. These new requirements were adopted based on local studies that had shown that the concentration of certain land uses in DeKalb County were associated with increased crime and increased likelihood of business failure, which lead to abandoned property and diminished aesthetic and commercial appeal. The proposed package store will be located next door to the existing Food Mart alcohol outlet and does not comply with these supplemental regulations. Since the proposed use does not comply with the 1,000 foot separation standard designed to minimize the concentration of alcohol sales in DeKalb County, it appears that the proposed use would not be compatible with adjacent and surrounding properties (Section 7.4.6 B & Q). Therefore, it is the recommendation of the Planning & Sustainability Department that this application be “Denied”.

PLANNING COMMISSION VOTE: Denial 6-0-0. J. West moved, J. Johnson seconded for denial.

COMMUNITY COUNCIL VOTE/RECOMMENDATION: Denial 7-0-1. Council was opposed to allowing an alcohol outlet on the site and in the area.
