The property has approximately 175 feet of frontage along Candler Road and contains 0.6 acre.

**RECOMMENDATION:**

**COMMUNITY COUNCIL:** DENIAL

**PLANNING COMMISSION: APPROVAL WITH CONDITIONS**

**PLANNING STAFF: APPROVAL WITH CONDITIONS**

**PLANNING STAFF ANALYSIS:** (REVISED 3/14/18) This Special Land Use Permit (SLUP) is required since the proposed business qualifies as an alcohol outlet. It appears that the proposed retail use (alcohol outlet) with the recent building façade improvements (see attached site photo) and Staff's recommended conditions would be consistent with the following policies and strategies of the Commercial Redevelopment Corridor (CRC) Character Area of the DeKalb County Comprehensive Plan: 1) Upgrade the appearance of existing older commercial buildings with façade improvements (CRCCAS14); and 2) Focus development on parcels that abut the designated Commercial Redevelopment Corridor (CRCCAS12). Based on the submitted site plan and information, as well as field investigation of the project site, it appears that the proposed use is compatible with the commercial uses along this stretch of Candler Road, and there is currently a 100-foot undisturbed open space area between the subject building and the abutting single-family subdivision to the east. Additionally, the site has access to a four-lane major thoroughfare road with a center turn lane (Candler Road). Staff notes that the request complies with the Supplemental Regulations for Alcohol Outlets as well as the distance requirements of the Alcohol Ordinance based on the submitted alcohol survey. Therefore, it is the recommendation of the Planning Department that the application be "Approved Conditionally", subject to Staff's recommended conditions which have been modified based on discussion at the March 6, 2018 Planning Commission meeting:

**PLANNING COMMISSION VOTE: Approval with conditions 6-1-0.** V. Moore moved, M. Butts seconded for approval as recommended and conditioned by Staff, with the removal of condition #1 and a modification to condition #4 to read, ""Establishment shall close by 12:00 midnight, Mondays - Saturdays and by 11 p.m. on Sundays".

**COMMUNITY COUNCIL VOTE/RECOMMENDATION: DENIAL 6-0-2.** The Council noted that there were too many alcohol outlets in area.
