SUBJECT:

Commission District(s): All Districts

An ordinance to amend the Code of DeKalb County, as revised 1988, Chapter 14 principally to modify the County’s Erosion and Sediment Control Ordinance.

Information Contact: Andrew A. Baker, AICP, Director

Phone Number: 404-687-7154

PURPOSE:

To amend Chapter 14 principally to revise the County’s Erosion and Sediment Control Ordinance to match or exceed the update 2016-model ordinance of the State of Georgia Environmental Protection Division (EPD).

NEED/IMPACT:

This revision is required for the County to retain its certification as a Local Issuing Authority (LIA).

FISCAL IMPACT:

None

RECOMMENDATION:

To adopt the attached ordinance and authorize the Chief Executive Officer to execute all necessary documents

to amend the Erosion and Sedimentation components of Chapter 14 to match or exceed the updated 2016-model EPD ordinance of the State of Georgia Environmental Protection Division (EPD) in order to maintain the County's Local Issuing Authority (LIA) Certification.
