RECOMMENDATION:

COMMUNITY COUNCIL: Denial.

PLANNING COMMISSION: Approval with Conditions.

PLANNING STAFF: Approval with Conditions.

STAFF ANALYSIS: Based on the impact and zoning analysis above, the zoning proposal is consistent with the 2035 Comprehensive Plan. The Neighborhood Center (NC) future land use designation supports the requested zoning designation. The rezoning would add to the vitality of the surrounding neighborhood and mesh well with existing residential uses. The zoning proposal will not adversely affect the existing use or usability of adjacent properties, however, the development's impact on the adjacent road network may warrant mitigation Therefore, the Department of Planning and Sustainability recommends "Approval with Conditions".

PLANNING COMMISSION VOTE: Approval with Conditions 7-1-1. Edward Patton moved, Jana Johnson seconded for Approval with Staff's recommended three (3) conditions, with an added condition that there be a mandatory homeowners association. Vivian Moore opposed; Tess Snipes abstained.

COMMUNITY COUNCIL VOTE/RECOMMENDATION: Denial 5-2-0. Board members had concerns about traffic, a cap on the number of rental units, the impact of the development on schools, and provision of garage parking.
