PURPOSE:

To consider pre-acceptance of WIOA Grants and a grant from Georgia Department of Labor not to exceed \$ 5,200,000.00 for employment and training activities for Adult, Dislocated Workers and Youth for PY 2018;
 To consider authorizing the transfer of the funds when appropriate; and
 To consider authorizing the Chief Executive Officer to execute the necessary document.

NEED/IMPACT:

We received projection of Grant Funds Allocation from Technical College System of Georgia (TCSG), the new Governing body for WIOA grant funds. TCSG determines the allocations for WorkSource DeKalb. This pre-approval will permit expeditious handling in that time is critical for the Grant execution.

The Workforce Innovation and Opportunity Act (WIOA) provides separate funding for Adult, Dislocated Workers and Youth for employment and training activities. These funds will be used to provide these Workers with job search

assistance including labor market information, occupational trend information, resume preparation, and assistance in identifying employment opportunities available through both online and direct job sites. In addition, funding will be used to provide interest and aptitude assessments and occupational skills training opportunities for WIOA eligible customers. **No funds have been received or expended and no workforce activities are being conducted for the above-mentioned grants.**

100% Federal Funds - U.S. Department of Labor; no matching funds are required.

This action has been approved by the Workforce Innovation and Opportunity Act (WIOA) Board.
