Information Contact: John W. Manson IV

Phone Number: 404 371 6207

PURPOSE:

To consider accepting the NACo Legislative Priorities for 2021. NACo supports federal policies and programs that equip county governments with the resources and flexibility needed to effectively serve their residents.

NEED/IMPACT:

NACo works to preserve local decision making and protect counties from unfunded mandates and preemption of local authority. Since counties implement many federal programs at the local level and must enforce many federal regulations, NACo encourages meaningful intergovernmental consultation with counties throughout all federal policy, program and regulatory development processes.

FISCAL IMPACT:

None;

RECOMMENDATION:

To approve the resolution and authorize the chief executive officer to execute all necessary documents.....
