**PURPOSE:**

**RECOMMENDATION:**

**COMMUNITY COUNCIL:** DENIAL

**PLANNING COMMISSION:** DENIAL

**PLANNING STAFF:** APPROVAL

**PLANNING STAFF ANALYSIS:** The applicant is requesting a land use amendment from Suburban to Town Center for future commercial development. According to the applicant he is only interested in converting the southwest portion of the parcel to Town Center. The comprehensive plan will support extending the Town Center designated properties to the west to the lower portion of the parcel (i.e., the subject property -see attached) along this major thoroughfare. It should be noted that the comprehensive plan will not support encroachment toward the northern portion of this parcel which is an established suburban land use. Therefore, it is the recommendation of the Planning and Sustainability Department that the application be “Approved”.

**PLANNING COMMISSION VOTE:** DENIAL 6-2-0 P. Womack, Jr. moved, V. Moore seconded for denial. Ed Patton and LaSonya Osler opposed.

**COMMUNITY COUNCIL VOTE/RECOMMENDATION:** DENIAL 10-0-0 Council Community expressed concerns about traffic, water-run-off and sewer availability.
