SUBJECT:

Commission District(s): Commission District, County Wide
Speed Zone Order/Radar Permit Application

Information Contact: Peggy V. Allen

Phone Number: (404) 294-2878

PURPOSE:

To consider approving the attached application to the Georgia Department of Public Safety requesting a permit for the use of speed detection devices on DeKalb County streets.

NEED/IMPACT:

Pursuant to O.C.G.A. § 40-14-2, law enforcement officers of the county may use speed detection devices for traffic control on DeKalb County streets only if the sheriffs of such counties or the governing authority of the county approves of and desires the use of such devices and applies to the Georgia Department of Public Safety for a permit for the authorization to use such devices.

Prior to the submission of the application to the Georgia Department of Public Safety, speed limits on streets or roads must be approved by the Office of Traffic Operations of the Georgia Department of Transportation. The attached list of speed zones was established based on engineering and traffic investigations as prescribed by law and was previously submitted to the Office of Traffic Operations of the Georgia Department of Transportation for their approval.

Upon approval by the Board, the application will be submitted through the Georgia Department of Transportation to the Georgia Department of Public Safety for their approval and issuance of a radar permit to DeKalb County. Once the radar

permit is received, appropriate amendments will be required to the Code of DeKalb County, Georgia to comply with the new permit. Those amendments will be submitted to the Board for approval at that time.

The current DeKalb County radar permit expires on December 31, 2019.

- Attachment (1) is the new permit, there are no changes from the current permit. Describe why the item is needed. How will this item improve or sustain what your group currently does?

FISCAL IMPACT:

There is no fiscal impact.

RECOMMENDATION:

Approve the attached application to the State of Georgia Department of Public Safety requesting a permit for the use of speed detection devices on DeKalb County streets.
