**RECOMMENDATION:**

**COMMUNITY COUNCIL:** Approval.

**PLANNING COMMISSION:** Approval with Conditions.

**PLANNING STAFF:** Approval with Conditions.

**STAFF ANALYSIS:** The proposal is consistent with the policies of the 2035 Comprehensive Plan. It would allow an existing place of worship to thrive and to provide worship services for members of the church and the surrounding community. The proposed expansion would not change the use of the property nor make it incompatible with surrounding properties and land uses. Proposed screening appears to be satisfactory to mitigate possible adverse impacts on adjoining land uses. The volume of traffic resulting from the church expansion is not expected to adversely affect land uses along access routes to the site, and comments by the County Division of Transportation and the County Division of Traffic Engineering indicate that Wesley Chapel Road and other access routes have sufficient traffic carrying capacity for the expanded church. The proposed use would be consistent with the needs of the neighborhood and of the community as a whole. Therefore, the Department of Planning and Sustainability recommends “Approval, with conditions”.

**PLANNING COMMISSION VOTE: Approval with Conditions 8-0-0.** G. McCoy moved, E. Patton seconded for Approval with Staff’s recommended five (5) conditions.

**COMMUNITY COUNCIL VOTE/RECOMMENDATION: Approval 7-0-1.**
