**PURPOSE:**

To provide notification to the Board of Commissions of the Recreation, Parks and Cultural Affairs Department’s application to the Georgia’s Environmental Protection Division for a Recycling, Waste Reduction and Diversion Grant in the amount of \$1,379,490. The County has entered into an agreement with Live Thrive, a nonprofit, to manage and operate the CHaRM facility. The facility will receive hard to recycle items, divert waste going to the landfills, and manage an environmental conservation education program to encourage recycling and responsible/sustainable waste reduction.

**FISCAL IMPACT:**

If successful, the County will receive grant funds up to \$1,379,490. Live Thrive will contribute \$375,000 to the project.
