PURPOSE:

Awarded on February 13, 2023, for an amount not to exceed \$76,471.00. The purchase of the new compressor is critical for the site to reduce odor and meet the air demand according to the EPD's Air quality Permit. This request is to add additional funds to purchase new concrete pad, electrical wires, and new canopy to cover the new compressor at the Seminole Road Landfill. The compressors were ordered and arrived but additional funds are needed to support the installation of a new foundation for the new compressors.
