RECOMMENDATIONS:

COMMUNITY COUNCIL: APPROVAL.

PLANNING COMMISSION: FULL CYCLE DEFERRAL.

PLANNING STAFF: APPROVAL WITH CONDITIONS.

STAFF ANALYSIS: The proposal is generally consistent with the intent of the 2035 Comprehensive Plan with regard to provision of senior housing. The Comprehensive Plan acknowledges that the senior population of DeKalb County is increasing, and it calls for provision of more housing for seniors. Housing Policy No. 6 states, “Encourage housing for the elderly that is well planned, soundly financed and located within a pedestrian friendly, residential community.” The subject property is much closer to amenities and services located to the south than if it were located within the heart of one of the low-density single-family residential neighborhoods that are typical of southeastern DeKalb County. The steady growth in the senior population indicates a continuing need for new senior housing and supports approval of the application under consideration. Senior housing at the proposed density would be compatible with the land uses on adjacent and nearby properties, and the proposed building is expected to be only partially visible or not visible at all from adjoining residential properties. Therefore, the Department of Planning and Sustainability recommends “Approval with conditions”.

PLANNING COMMISSION VOTE: Full Cycle Deferral, 6-2-1. L. Osler moved and J. West seconded for a Full Cycle Deferral due to issues with building appearance and lack of features such as balconies. P. Womack, Jr. and E. Patton opposed; G. McCoy abstained.

COMMUNITY COUNCIL VOTE/RECOMMENDATION: Approval 11-0-0.
