RECOMMENDATION:

COMMUNITY COUNCIL: APPROVAL

PLANNING COMMISSION: FULL CYCLE DEFERRAL

PLANNING STAFF: DENIAL

PLANNING STAFF ANALYSIS: Per the DeKalb County Zoning Ordinance, the purpose of the R-75 is to provide protections for existing development and to implement the future development map of the county's most current comprehensive plan. The current R-75 district prohibits attached single family structures. This request is inconsistent with the surrounding R-75 zoning which and would result in spot zoning. Per the future land use map, this site is designated as part of the Traditional Neighborhood Character Area. The Comprehensive Plan states that the intent for Traditional Neighborhood Character Areas is to “preserve the style and appeal of older traditional neighborhood communities.” The existing character of the Parkview Subdivision consist of only single family detached homes on each platted lot. The proposal of two attached single-family development on the subject lot would be inconsistent with the character of the subdivision. Therefore, for the reasons stated above, the Department of Planning and Sustainability recommends “Denial”.

PLANNING COMMISSION VOTE: Full Cycle Deferral 5-3-0. V. Moore moved, J. Johnson seconded for a Full Cycle Deferral. G. McCoy, L. Osler and T. Snipes opposed.

COMMUNITY COUNCIL VOTE/RECOMMENDATION: Approval 5-2-3. Community Council recommended Approval of this application.
