RECOMMENDATION:

COMMUNITY COUNCIL: Approval with conditions.

PLANNING COMMISSION: Withdrawal without Prejudice.

PLANNING STAFF: Withdrawal without Prejudice.

STAFF ANALYSIS: The proposed request is to operate a public charter school (middle and high school) out of the two existing church buildings of the Northeast Baptist Church. Based on information submitted by the applicant after the Special Land Use Permit (SLUP) was filed (see attached “*Georgia Fugate Academy Charter School Charter*” and “*Georgia Department of Education QBE Payment Advice*”), the proposed charter school meets state requirements for elementary, middle, and high school education and is funded by a government agency as outlined in the *Zoning Ordinance* definition of “Public School” as follows: “*School, public: A building or group of buildings used for educational purposes, which meets state requirements for elementary, middle, or high school education, and that is funded by a government agency.*” “*Government Facilities*” and “*Public Schools*” are allowed as permitted uses in all zoning districts without a Special Land Use Permit (SLUP). Therefore, the Planning & Sustainability Department recommends “Withdrawal.”

PLANNING COMMISSION VOTE: Withdrawal without prejudice 8-0-0. Lauren Blaszyk moved, Jana Johnson seconded for withdrawal without prejudice, per Staff recommendation.

COMMUNITY COUNCIL VOTE/RECOMMENDATION: Approval with conditions 8-0-0.
