CA - Cooperative Agreement for Design and Implement Voice and Data Network for 178 Sam's Street: for Department of Innovation and Technology to be used by Facilities Management (FM). Consists of designing the voice and data network to support staff that will be located at 178 Sam's Street. Awarded to Layer 3 Communications. Amount Not To Exceed: \$116,740.40.

Information Contact: Cathryn G. Horner, Interim Director

Phone Number: (404) 371-6334

PURPOSE:

Consists of piggybacking off the competitively let Statewide Contract No. S99999-SPD-T20120501-0013. This request is to design and implement voice data network to support staff that will be at the Sam Street location. The existing network equipment will not meet the County's business requirements. This vendor is the County's current network professional service provider and can design and implement the needed network for the voice and data services to work with our existing county-wide network.

RECOMMENDATION:
