PURPOSE:

Consists of providing various landscapes, clean-up and emergency services within the County various zones for parks, public grounds and special events. Services may include mowing, blowing, edging, string trimming, herbicide, aeration, dethatching, fertilizer and lime application, landscape maintenance, installation of annuals, nature trails/naturalized areas, tree and shrub maintenance, weed and exotic pest plant removal, insect/disease control, irrigation maintenance, mulching, soil tests, site cleanup, litter pickup/trash removal and ice/snow removal. This is an on-call service contract utilized by various County departments. A multi-award by group/zone is most advantageous to the County to ensure that overall cost savings are achieved, while providing timely and efficient delivery of services. County department needs are similar; however, the usage is specific to their operations. Each user department shall administer necessary services to ensure effective contract management, which includes the utilization and availability of the lowest cost vendors, County inspection of work completed and payment of invoices. Categories I-V are for additional services that will be assigned as needed to the awarded vendors within their awarded zones. Eight (8) bids were received.
