City of Decatur Legacy Park ADA Equipment Project

Information Contact: Allen Mitchell, Director

Phone Number: 404-371-2438

PURPOSE:

To consider approving an agreement with the City of Decatur in an amount not to exceed \$145,000. HUD CDBG funding will be used for the purchase of ADA accessible playground equipment at Legacy Park, 500 S. Columbia Drive, Decatur, GA 30030.

NEED/IMPACT:

The City of Decatur will install the ADA equipment in the 77-acre Legacy Park. The Park Master Plan identified that the park would establish community spaces for all and provide a wide range of uses.

The City will invest an additional \$112,000 to cover site work, accessible surface material, freight, and installation costs. The park will serve as a model and will become the City's first park totally dedicated to special needs children and their caregivers regardless of physical and mental ability.

FISCAL IMPACT:

No Cost to the County.

RECOMMENDATION:

To approve the resolution and authorize the Chief Executive Officer to execute all necessary documents to approve an agreement with the City of Decatur in an amount not to exceed \$145,000 for ADA accessible playground equipment.
