

Legislation Text

File #: 2019-3721, **Version:** 1

Public Hearing: YES NO **Department:** Airport

SUBJECT:

Commission District(s): 1 and 6

Airport Engineering Design and/or Planning Assistance between Department of Transportation State of Georgia and DeKalb County. The Cost to the County is \$15,116.65.

Information Contact: Mario A. Evans, Airport Director

Phone Number: 770.936.5440

PURPOSE:

To consider approval of Agreement with the Georgia Department of Transportation (GDOT) to provide airport engineering design and/or planning assistance to design taxiway improvements-runway incursion mitigation program (PDK-11) and,

To consider acceptance of GDOT's participation in the project in the not to exceed amount of \$237,497.35 (federal and state funding); and

To consider authorizing the transfer of County matching funds when appropriate; and,

To consider authorizing the Chief Executive Officer to execute the necessary documents.

NEED/IMPACT:

The attached draft agreement provides for design taxiway improvements - runway incursion mitigation program criteria to enhance airport taxiway safety in accordance with Federal Aviation Administration (FAA) Circular 150/5300/13A.

The engineering design services will include the following elements of work: project formulation, survey work, geotechnical investigation, construction plans, contract documents, engineers/design report, and coordination, review and comments.

FISCAL IMPACT:

The total allowable cost of the project is \$252,614.00.

The cost will be shared as follows:

Federal funds	\$227,352.60
State funds	10,144.75

County funds 15,116.65

The cost to the county is \$15,116.65. The fiscal year impact includes calendar years 2019, 2020 and 2021.

RECOMMENDATION:

To approve the resolution and authorize the chief executive officer to execute all necessary documents.....

Attachment: Draft Agreement for Airport Engineering Design and/or Planning Assistance Between Department of Transportation State of Georgia and DeKalb County
