**PURPOSE:**

Awarded by the BOC on June 12, 2018 for an amount not to exceed \$10,305,057.22. On March 26, 2019, the BOC approved Change Order No. 1 for a total amount not to exceed \$500,000.00 for SPLOST funded projects. On June 25, 2019, the BOC approved the first renewal option for a total amount not to exceed \$6,000,000.00. On January 27, 2020, the BOC approved Change Order No. 2 for an amount not to exceed \$8,833,946.11 and added RPCA to the contracts. On June 23, 2020, the BOC approved the second renewal option for a total amount not to exceed \$8,161,000.00. On June 22, 2021, the BOC approved Change Order No. 3 for a total amount not to exceed \$8,833,946.11 and to extend the contract term to December 31, 2021. On December 8, 2021, an emergency change order was approved to extend the term of the contract for an additional sixty (60) days. An ITB was processed to solicit for new contracts but did not yield bids sufficient to support the current workload and therefore was cancelled.

This request is to:

1. Ratify the 60 day emergency extension.
2. Add funding for R&D, DWM, and RPCA projects.
3. Additionally extend the contract term to December 31, 2022 to allow for continued asphaltic pavement repair services for roadway (patching) repair projects and surety bond streets during re-solicitation of new contracts.
