**PURPOSE:**

**NEED/IMPACT:**

As part of GDOT's planned reconstruction of the I-285/I-20 interchange (PI # 0013915), GDOT has approved capital funding to modify and upgrade the existing high mast interstate lighting. **FISCAL IMPACT:**

There will be no cost to the county for installation. Annual electricity and maintenance costs cannot be determined until GDOT finalizes the lighting layout for the project.
