RECOMMENDATION:

COMMUNITY COUNCIL: Denial.

PLANNING COMMISSION: Denial.

PLANNING STAFF: Denial.

STAFF ANALYSIS: The applicant is requesting to rezone the property from the R-100 (Residential Medium Lot) District to the RE (Residential Estate) District. The proposed use is a special events facility pursuant to companion Special Land Use Permit request (SLUP-20-1243788). Located within a Suburban Character Area designated by the 2035 Comprehensive Plan, the proposed use reflects inconsistency with the following Comprehensive Plan Policy: To protect existing neighborhoods from incompatible land uses. The special events

facility on the subject site is not suitable given the stable residential character of the area. The current use of the site will continue to be the primary residence for the applicant/owner. Holding occasional backyard parties and events for profit in the rear yard is not an appropriate accessory or secondary use for the site. The Department of Planning and Sustainability recommends **DENIAL** of the rezoning request to RE (Residential Estate) District. Should the Board of Commissioners choose to approve the rezoning request, Staff offers the following attached conditions for consideration:

PLANNING COMMISSION VOTE: 8-0-0. V. Moore moved, P. Womack, Jr. seconded for Denial, per Staff Recommendation. The motion passed unanimously.

COMMUNITY COUNCIL VOTE/RECOMMENDATION: 7-0-0. The Community Council Board thought that the proposed special events facility would be a bad precedent. They had concerns about parking, noise, and the operation of a private events facility in a residential area.
