PLANNING STAFF: Approval with Conditions

PLANNING STAFF ANALYSIS: The proposed rezoning request from R-75 (Medium Lot Residential) District to MR-2 (Medium-Density Residential - 2) District is compatible with adjacent Lauren Parc townhomes north and west of the subject site. If Land Plan Amendment LP-18-1235089 is approved for Town Center as requested by the applicant, the request for single-family attached residences is consistent with the following 2035 Comprehensive Plan Policies: Protect and enhance the integrity and quality of existing residential neighborhoods; Create pedestrian scale communities that focus on the relationship between the street, buildings, streetscaping and people; and improve street character with consistent signage, lighting, landscaping and other design features. Therefore, it is the recommendation of the Planning and Sustainability Department that the application be **“Approved”** subject to the attached recommended conditions:

PLANNING COMMISSION VOTE: 6-2-0. V. Moore moved, A. Atkins seconded for Full Cycle Deferral. M. Butts & T. Snipes opposed.

COMMUNITY COUNCIL VOTE/RECOMMENDATION: 7-3-0. Deferral to address community concerns, traffic and water run-off. Community wants affordable housing.
