PURPOSE:

To consider accepting and appropriating up to \$3,459,660 from the Georgia Department of Transportation (GDOT) into project 104296 for construction of sidewalk on Flat Shoals Road, Henderson Road, and Salem Road; and

To consider authorizing the Chief Executive Officer to execute all necessary documents for completion of the project.

NEED/IMPACT:

This project involves the construction of new sidewalk on Flat Shoals Road (2nd Avenue to Whites Mill Road), Henderson Road (Henderson Mill Road to Lavista Road), and Salem Road (Panola Road to Fannin Road). The Board of Commissioners previously accepted \$500,000 for right-of-way acquisition for this project on November 12, 2013. The \$3,459,660 in GDOT funds will go toward construction costs.

FISCAL IMPACT:

There is an estimated local match of \$2,053,468.24 for construction which will be paid for using SPLOST funds.
