PURPOSE:

Awarded on March 28, 2017 for an amount not to exceed \$214,559.70. On March 27, 2018, the BOC approved the 1st renewal option for an amount not to exceed \$89,000.00. This is a seasonal need that is dictated by the weather conditions; therefore, the user departments are requesting sufficient funding be available to ensure facilitation of these efforts and support increased storage capacity to eliminate competition for resources with other jurisdictions in the event of severe winter weather. This request is to exercise the 2nd and final renewal option.

RECOMMENDATION:

Recommend approval to exercise the 2nd renewal option through March 31, 2020 with:
