RECOMMENDATION:

COMMUNITY COUNCIL: (02-11-19) Deferral; (12-10-18) Denial

PLANNING COMMISSION: (03-05-19) Denial; (1-8-19) Full Cycle Deferral

PLANNING STAFF: Approval Substitute R-75 (Residential Medium Lot) District

STAFF ANALYSIS: The zoning proposal to the R-60 (Residential Medium Lot) District is inconsistent with the following policy of the 2035 Comprehensive Plan: Protect stable neighborhoods from incompatible development that could alter established single-family residential development patterns and density. The requested R-60 District (minimum 6,000 square foot lots) is inconsistent with adjacent and nearby residential property zoned and developed R-85 with minimum 12,000 square foot lots along Pleasant Hill Trail. The R-75 zoning district provides a compatible minimum lot size of 10,000 square feet for single-family detached residences. Therefore, the Department of Planning and Sustainability recommends, **“Approval of the substitute R-75 (Residential Medium Lot) District request, subject to Staff’s recommended conditions”**.

PLANNING COMMISSION VOTE: (03-05-19) Denial, 8-0-0. J. West moved, L. Osler seconded for Denial. The motion passed unanimously. (1-8-19) Full Cycle Deferral, 8-0-0. E. Patton moved, V. Moore seconded for a full cycle deferral of the substitute request of R-75 with conditions.

COMMUNITY COUNCIL VOTE/RECOMMENDATION: (02-11-19) Deferral, 5-4-1 More information needed on road improvements. (12-10-18) Denial, 7-0-0. The applicant was not sure of what his intent was for the area and was not prepared for presentation to the Council. Community opposition: increase in traffic; lower property values of existing homes in area; and may bring crime to area.
