PURPOSE:

Consists of piggybacking off the competitively-let Rockdale County annual contract for the provision of sanitary sewer rehabilitation services. These services will assist DWM in completing over 500,000 linear feet of sewer line rehabilitation by June 2020. The County will also utilize existing contracts, where possible, to complete the necessary linear footage but does not currently have a contract that can provide advantageous pricing and the quantity of services needed. Cooperatively purchasing from the Rockdale County contract provides DeKalb County with an estimated cost savings range of \$782,278.00 to \$30,350,144.00.

RECOMMENDATION:

Recommend approval to purchase from Rockdale County Contract No. 2019-09 with:

Inland Pipe Rehabilitation (IPR) dba IPR Southeast, LLC, 1510 Klondike Road, Suite 400, Conyers, GA 30094

Amount Not To Exceed: \$7,900,453.00
