PURPOSE:

Consists of piggybacking off the competitively let Statewide Contract No. S99999-SPD-T20120501-0013. This request is to design and implement voice data network to support staff that will be at the Sam Street location. The existing network equipment will not meet the County's business requirements. This vendor is the County's current network professional service provider and can design and implement the needed network for the voice and data services to work with our existing county-wide network.

RECOMMENDATION:

Recommend approval to purchase from SWC No. S99999-SPD-T20120501-0013 with:

Layer 3 Communications, 1450 Oakbrook Drive, Suite 900 Norcross, GA 30093

Amount Not To Exceed: \$116,740.40
