RECOMMENDATION:

COMMUNITY COUNCIL: Approval with a condition.

PLANNING COMMISSION: Approval with Conditions.

PLANNING STAFF: Approval with Conditions.

STAFF ANALYSIS: The proposed SLUP (Special Land Use Permit) request seeks to expand the existing personal care home from 3 to residents. The application meets the criteria of the zoning ordinance for a personal care home for up to six (6) persons. there should be little or no impact on traffic. There will be no physical changes to the exterior of the existing single-family residence. Therefore, the residence will be compatible in character with existing and surrounding single-family residences in the area. The proposed use is consistent with the following DeKalb County 2035 Comprehensive Plan Housing Policy: Special Needs - Increase the availability of special needs housing to meet the growing population. Given that it appears that there are no other personal care homes for six (6) residents in the immediate surrounding area, the Department of Planning and Sustainability recommends “Approval, with conditions”.

PLANNING COMMISSION VOTE: **Approval with Conditions 8-0-0.** P. Womack, Jr. moved, E. Patton seconded for “Approval with Staff’s recommended seven (7) conditions”.

COMMUNITY COUNCIL VOTE/RECOMMENDATION: **Approval w/Condition 7-0-0.**
Recommendation for approval is with the condition to decrease the limit to no more than 4 instead of 6.
