PURPOSE:

Awarded by the BOC on June 12, 2018 for an amount not to exceed \$10,305,057.00. On March 26, 2019, the BOC approved Change Order No. 1 for a total amount not to exceed \$500,000.00 for SPLOST funded projects. On June 25, 2019, the BOC approved the first renewal option for a total amount not to exceed \$6,000,000.00. On January 27, 2020, the BOC approved Change Order No. 2 for an amount not to exceed \$8,833,946.11 and added RPCA to the contracts. On June 23, 2020, the BOC approved the second renewal option for a total

amount not to exceed \$8,161,000.00. This request is to add funding for R&D, DWM and RPCA projects and to extend the contract term to December 31, 2021 to allow for continued asphaltic pavement repair services for roadway (patching) repair projects and surety bond streets while the County prepares to re-solicit for these services. Facilities Management will continue to utilize the contract but does not need to add funding at this time for the projected extension.
