PURPOSE:

To Appropriate \$25,000 from the District 7 Reserve for Appropriation to the DeKalb Chamber of Commerce to support a DeKalb Business and Community event.

NEED/IMPACT:

The community event is to expand opportunities for DeKalb businesses to connect and provide support to those located in economically distressed areas of the County. During the COVID-19 pandemic, many small businesses in DeKalb County experienced challenges that severely tested their resilience. The community event will recognize businesses and community leaders in their support of a strong business ecosystem in DeKalb County and have demonstrated their work in building capacity to reverse the decline in business closings and neighborhood conditions.

FISCAL IMPACT:

Funding for this event is an allocation of \$25,000 from the District 7 Reserve For Appropriation.

RECOMMENDATION:

To approve the resolution and authorize the chief executive officer to execute all necessary documents.
