PURPOSE:

The property at 2055 Bouldercrest Road is listed as being owned by DeKalb County, near Entrenchment Park

and the Old Atlanta Prison, comprised of fifteen (15) acres of bare dirt with little to no vegetation. There is an issue with runoff of silt and an un-stabilized slope (erosion issues). The property has been abandoned by the contractor, and the site needs to be stabilized to cease runoff onto neighboring properties. The emergency service will remove and reinstall silt fence, dig up and retrieve sediment that has gone past the silt fence, track in and seed all slopes (including erosion control matting) as well as tracking in the flat surface of the project. It is anticipated to leave the standing water 'pond' on site to control runoff but plans to add a slope drain-pipe to convey water down the slope and prevent additional erosion and soil loss. EFS, Inc. has been issued an emergency purchase order to stabilize the project site at 2055 Bouldercrest Road; however, due to 'Protestors' at the site other contractors' equipment have been vandalized and destroyed. Therefore, a policy rider for protection of property and equipment has been added to EFS' insurance policy with Partners Risk Services, LLC.

RECOMMENDATION:

Recommend approval of the ratification of PO 1297476 and approval of additional funds for policy rider with:

EFS, Inc., 6770 Buford Highway NE, Atlanta, GA 30340

Total Amount Not To Exceed: \$203,659.00

ADDITIONAL INFORMATION:

1. Funding: General Operating - (RPCA)
2. Justification: The property, owned by the County has been abandoned by the contractor, and the site must be stabilized to cease runoff onto neighboring properties.
