PURPOSE:

Consists of providing proprietary software licenses, support, maintenance, and training. The DORS can assist in: (1) reducing time spent on lower priority calls in the Dispatch Center when there is no suspect on scene; (2) giving citizens the ability to fill out their own incident information online, without an Officer having to be on scene, for incidents such as: custody dispute, property damage, dine & dash, fraud, harassing communication, lost property, theft/stolen property lists, etc.; and (3) online report submittal for review and acceptance or rejection, before being committed to the Records Management System (RMS/NIBRS). This request is to establish a five-year contract.

RECOMMENDATION:

Recommend approval of the sole source with:

LexisNexis Coplogic Solutions, Inc., 1000 Alderman Drive, Alpharetta, GA 30005

Amount Not To Exceed: \$367,672.92
