### PURPOSE:

A resolution by the Governing Authority of DeKalb County to include the construction of Peachtree Creek Greenway Trail as a priority SPLOST II Project.

### NEED/IMPACT:

In 2021, DeKalb County initiated a study for the Peachtree Creek Greenway which was conducted by the PATH Foundation. The DeKalb County Board of Commissioners adopted this study on September 27, 2022 (the full report is available on the County website here). This identified approximately 8 miles of Peachtree Creek Greenway segments in unincorporated DeKalb County. Funding of the construction of the Peachtree Creek

Greenway in time to will coincide with the 2030 expected competition of the Atlanta Beltline will both boost DeKalb's visibility and enhance the Peachtree Creek Greenway's usability.

**FISCAL IMPACT:**

None

**RECOMMENDATION:**
