Aesthetic Improvements for Glenwood Road, Covington Highway and Redwing Circle Bridges over I-285

Information Contact: David Pelton

Phone Number: 770-492-5206

PURPOSE:

To consider appropriating \$525,000.00 of SPLOST funds from line item 1J - Corridor Beautification to fund aesthetic improvements to the Glenwood Road, Covington Highway, and Redwing Circle bridges over I-285; To consider authorizing the payment of up to \$525,000.00 to the Georgia Department of Transportation (GDOT) to cover the cost of these improvements; and To consider authorizing the Chief Executive Officer to execute all necessary documents for completion of this work.

NEED/IMPACT:

A GDOT project (PI # 0017129) is underway to replace the Glenwood Road, Covington Highway, and Redwing Circle bridges over I-285. On October 27, 2020, the Board of Commissioners authorized the payment of \$370,000 of SPLOST funds to GDOT to add decorative fencing to these bridges. GDOT is now willing to also upgrade the bridge parapets supporting the fencing so that they have a more decorative design similar to what is on the Memorial Drive bridge over I-285. The additional cost for these improvements is \$525,000.00.

FISCAL IMPACT:

SPLOST funds in the amount of \$525,000.00 will cover the cost of these improvements.

RECOMMENDATION:

To appropriate \$525,000.00 of SPLOST funds from line item 1J - Corridor Beautification to fund aesthetic improvements to the Glenwood Road, Covington Highway, and Redwing Circle bridges over I-285; To authorize the payment of up to \$525,000.00 to the Georgia Department of Transportation (GDOT) to cover the cost of these improvements; and To authorize the Chief Executive Officer to execute all necessary documents for completion of this work.
