Application of David Kirk for a Special Land Use Permit (SLUP) to allow the construction and operation of a restaurant with a drive-through on a portion of the property located in the C-1 (Local Commercial) Zoning District, at 3507 Memorial Drive.

<u>RECOMMENDATION:</u> COMMUNITY COUNCIL: Denial.

PLANNING COMMISSION: Denial.

STAFF RECOMMENDATION: Approval with conditions.

PLANNING STAFF ANALYSIS: The applicant, David Kirk of Troutman Pepper Hamilton Sanders, is seeking a special land use permit (SLUP) to redevelop a portion of the subject property and construct an outparcel drive-through restaurant within the northeast corner of the Belvedere Plaza shopping center. Currently, the space is vacant but previously operated as a multitenant building with a clothing store, recording studio, barber shop, insurance agency, tax office, and two (2) non-drive-through restaurants. The site may be adequate for the proposed use. Adverse impacts based on the manner and time of operation should be minimal as the applicant has stated the business hours would reflect surrounding establishments. The proposal appears to have addressed applicable supplemental regulations. The request is subject to SLUP approval with C-1 (Local Commercial) zoning when located in an activity center. The subject property is located in the Belvedere Town Center (TC) activity center. The subject property is also included in the study area for the Belvedere Master

Active Living Plan (MALP Small Area Plan-2013). While the TC activity center generally promotes mixed-use development, reduced automobile travel; walkability; and increased transit usage, the small area plan provides more targeted recommendations. Near the core of this town center activity center, it is the desire of the community to see the site redeveloped in a manner consistent with the Comprehensive Plan (up to 80DUs/acre, and a mixture of residential and nonresidential uses at the core). The proposed SLUP to allow for a drive-through facility-a primarily automobile dependent use-may inherently pose challenges to the transition and evolution of the surrounding area towards many of the land use goals of this activity center. However, community sentiment towards past drive-through proposals in this area has been favorable. The Board of Commissioners recently approved a Dunkin Donuts drive-thru on an outparcel of this site of Memorial Drive in November 2022. Staff recommends approval with conditions.

PLANNING COMMISSION VOTE: Denial 7-0-0. Jon West moved, Jan Costello seconded for Denial. Vivian Moore was not present for this vote.

COMMUNITY COUNCIL VOTE/RECOMMENDATION: Denial 6-1-0. Discussion included whether fast food drive through uses were appropriate in a Town Center Character Area calling for more pedestrian oriented uses.
